SUBJECT: Construction at Georgia Ports Authority Garden City Terminal – Alternate
Contact Information

Over the next several months, improvements will be made to the Centralized Examination Station (CES) at Georgia Ports Authority's Garden City Terminal. U.S. Customs & Border Protection will continue uninterrupted operations during the period of construction.

Effective December 20, 2011, the U.S. Customs & Border Protection (CBP) staff assigned to the CES may be reached at 912-964-0832 and facsimile line 912-966-0827. Should there be instances of disruption to telephone service during construction, the importing public may reach the CBP staff assigned to the CES through CBP's Operations Center at 912-721-4840.

Questions regarding this pipeline may be directed to Supervisory Import Specialist, Eric Buchanan at 912-447-9419.
